## DONATIONS IN MEMORY OF A LOVED ONE

Giving in memory is a meaningful way to honour a doctor's life. Many families decide to encourage their friends and family to donate to the MBANSW in lieu of flowers. These donations help MBANSW to continue our mission to support doctors and their families in crisis. ALL MEMORIAL DONATIONS (over \$2) ARE TAX DEDUCTIBLE. If you would like to organise this in memory of a loved one, there are several options:

<u>Direct donation by individual donors</u> - The easiest way is for the donors to donate directly to this <u>LINK</u> (<u>www.givenow.com.au/mbansw</u>) and use the Reference "Ín memory of {loved one's name} "

This way they will be issued a Tax Receipt immediately. At the end of a month, we will summarise and advise the family of the total raised and thank them for honouring their loved one in such a meaningful way.

As well as using the link above you can also include the QR code below on the funeral notice so it is easy for people to donate directly.

Another option is to <u>trust someone to collect the funds at the funeral</u> and then send the resulting donation to our Bank Account (details Below)

Acct Name: Medical Benevolent Association of NSW

BSB: 062 272

Acct number: 00901952

Ref: {loved one's name} Memorial Fund

If this method is chosen and donors want a Tax Receipt, the collector would also need to send us a list of names, emails, addresses and individual amounts donated, so we can issue individual Tax Receipts. People can also directly donate as above but would need to email us with their details so we can issue the Tax Receipt and identify their bank transaction.

Postal Address: PO Box 365 GLADESVILLE NSW 1675
